## Message from Kgosì Leruo Molotlegi

We're proud to be hosting six matches of the FIFA 2010 World Cup, and we are determined to ensure that every soccer fan visiting the Royal Bafokeng Stadium has a positive and memorable experience. To that end, we offer you this page of information, maps and contact details.

Getting to and from the stadium can make or break your match day due to unfamiliar roads and high traffic volumes, so please take note of the suggestions here, plan your trip carefully and make sure you arrive well in advance of kick-off time.

Our communications personnel are standing by to assist you, should you have any questions. Please contact them on (014) 566-1500.

A wide range of agencies and officials are working together to make this tournament a success and we are proud to partner with them to make your time at the Royal Bafokeng Stadium a smooth and fun-filled one.

Please bring this page along with you, feel at home and have fun!

## Getting to the stadium:

- Plan to arrive at the Royal Bafokeng Stadium in Phokeng at least three hours before kick-off.
- If arriving by car, use one of the four Park and Rides (see map).
- Don't rely solely on your GPS to get to the stadium, due to new roads in the area (see map).
- Make a note of which Park and Ride you are parked at (name and colour), as the drop-off point and pick-up colours are the same.
